Love exists on other planets in this sci-fi porn. A hardworking stud enjoys a night of hardcore orgies. He returns home and encounters an out of this world lovefest. Pleasurable alien anal probing has never looked so hot!

Ray finally decide to go and see his friend. When he arrives, his buddy's completely naked. He offers him a drink and they start having fun right away! You also get some flashes of men fucking here and there... it's a weird but interesting scene.
