This beefy jock pretends to be the macho dude, but his secret fantasy is for the cock. he meets a new shemale hooker in town and decides to fulfill his fantasies. Watch him suck her cock for the first time, and she shows it how its properly done, slurping down his entire rod in one gulp. He wants to feel her from the inside, and he pushes her legs apart and starts pumping and jacking her off at the same time. When they cum, its an intense explosion!
