*This hardcore stud turned into this shemale's bitch in his hardcore fuckfest.*

She met this guy in the gym, who claimed to be a huge player.

Who would of thought it was all a lie? That muscle man turned into a huge bitch when this shemale took the reigns. She made that guy shove her entire tranny cock into his throat and even clogged his mouth with all the hot, creamy jizz she had in her large TS dick. But aside from jamming her shemale dick into that guy's throat, that tranny also went on to pounding that stud's tight asshole. That guy has never taken a dick up his poop-chute and screamed from the pain of the hardcore ass-ripping that tranny gave her! That tranny didn't stop tearing that butthole until it was filled with all the hot shemale cum. That guy told that shemale to keep the whole fuckfest a secret but everyone in the gym knew the whole story the next day!
